Dear Sir:

Pursuant to MPEP 711.03(c) and the Court's decision in Delgar v. Schulyer, 172 USPQ 513 (D. D.C. 1971), Applicant requests that the holding of abandonment be withdrawn and a new Notice of Allowance mailed because Applicant's Representative did not receive Notice of Allowance mailed February 3, 2006.

The Notice of Allowance was mailed to Applicant's previous attorney, George J. Netter, Esq. who is now deceased and passed away in about June of 2004, and returned as undeliverable to the PTO. In December of 2004 Applicant had submitted a power of attorney and correspondence change of address which was actually received by the Patent Office on December 22, 2004. See attached.

In about mid-August, 2005 I became aware of a previous Office Action that had been mailed August 8, 2005 to former attorney Netter and returned as undeliverable to the PTO. I had a conversation with Examiner Mohammed Ali regarding the same who assured me the address would be updated.

Review of my file confirms I did not receive the Notice of Allowance. Further attached is a copy of my docket of due dates for the relevant time period not indicating the issue fee coming due February 2, 2006. I did not learn of the Notice of Allowance mailed November 3, 2005 until February 8, 2006 when I happened to be reviewing the online records of the PTO in view of my client's upcoming March 2, 2006 deadline to enter the national phase under his PCT application.

In summary, for all the foregoing reasons, petition should be GRANTED. The PTO should update the attorney/address record and re-mail the Notice of Allowance.

If a telephone interview will advance allowance of the application, enabling either an Examiner's Amendment or other meaningful discussion of the case, Applicant requests that the Examining Attorney contact Applicant's Representative at the number listed below.

No fee is believed due for this petition; if additional fees are owed, the Patent Office is authorized to charge Applicant's Representative's deposit account no. 50-3116.

Respectfully submitted,

LAUSON & ASSOCIATES
